The Campbell Press

A GROWING NEWSPAPER IN A GROWING COMMUNITY

Volume 52, Number 14 — CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA — Thursday, February 20, 1947

'round town

with Betty Allen...

A recent editorial in the local high school paper is worth a comment. The writer chose the subject of conduct at Santa Cruz during the Easter vacation and seemed very definitely to feel that Campbell High School students did not misbehave during the holidays. He or she says: "I know that this year as in the past years, Campbell High School students will uphold their good reputation and respect the rights of others while having all the fun they can cram into one week. Let's meet the challenge and show our elders that we aren't juvenile delinquents, but the coming generation who'll make the world a much better place in which to live."

* * *

This is a good attitude and worth encouraging—however, here is a tip to Campbell High School students: A resident of Campbell Ave. who has made a study of the matter says that the high school students are much more untidy than the grammar school children. It seems it's the older children who litter the streets with banana peelings, orange rinds, empty paper sacks, candy bar wrappers and innumerable other items.

* * *

That shot in the arm the Chamber of Commerce had with the change of meeting place is still holding up well. There was a fine turnout at Wednesday's luncheon meeting and Ira Grim is doing a splendid job as president. He not only does his part but sees that others do their jobs as well.

* * *

Local hatcheries are complaining that zoning restrictions are so bad they will have to curtail any expansion or do it elsewhere.

* * *

Hope that some of the people who just don't understand how a newspaper can make a mistake read a recent issue of one of the slick paper magazines. At the bottom of the page instructions for continuing the story read "turn to page ??." There's a beautiful resigned hopelessness about it that expresses the confusion that can arise in connection with printing.

* * *

A certain practical poker who told a gullible editor about attending the first Old Settlers' Day had the story boomerang when he was believed.

Campbell vs. Mt. View--Other Games

by Dave Woods

A great Mt. View defense and the splendid shooting of Forward Shig Tachibana and Center Ray Roesky gave the Campbell high Bucaneers their second loss in SCVAL play and virtually eliminated them from any part of the league crown. The game, played last Friday in the Mt. View gym, was taken by the Eagles 39 to 33. The Bucs also lost the 30's contest 41-28.

In the varsity tilt the Bucs seemed to be pressing at first, and were trailing 16 to 6 at the end of the first period. The locals pulled up to 26-15 at the half, but were never closer than six points.

The second half found the game fairly even, but the Eagles managed to keep their six point bulge. trada came close, as he tallied 15. points, but Campbell's Levi Estrada came close, as he tailled 15. Roesky and Fish of Campbell followed with 10 and eight points respectively.

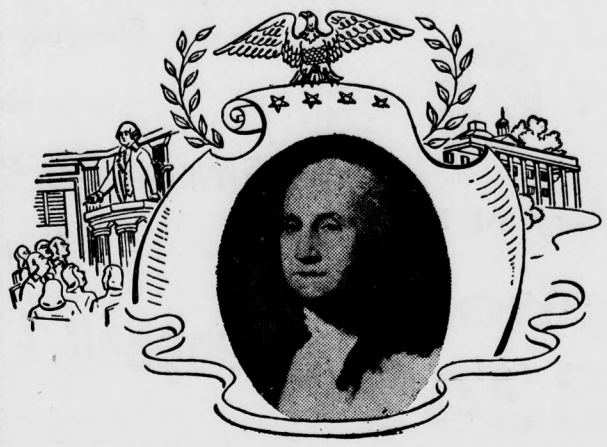
The Buc 130's played fairly close ball throughout the first half but fell apart in the second to drop their tilt. Monte Dayton, Campbell forward, set a 130 scoring record for this year, as he bucketed 16 markers.

Hobart Marvin led the Eagle scorers with 21 tallies.

This next week should prove to be a busy one for the Buc hoopsters, for three games are scheduled. The Los Gatos Wildcats are to be met Feb. 28 on the local gym floor in the season finale, and there is a two day road trip to King City and Watsonville.

Next Friday's game, originally scheduled for Santa Cruz, has been changed to King City but has now been called off because King City thinks Campbell is too strong.

George WASHINGTON'S Birthday



On Saturday, Campbell will observe the birthday of the founder of our country and pay tribute to the early settlers of our community. It is fitting that this celebration, carried on for more than half a century, should combine the two occasions for, as Washington guided the destiny of this country, so did the early settlers of Campbell direct the future of the community through its most important formative years.

Two Teams Tied For First Place

Strong Bros., Jones Service and Nelson's Sport Shop are tied for the leadership of the Campbell Basketball league. Strong Bros. were leading the league until the Jones quint defeated them last Tuesday night. On the same evening Nelson's squad beat Fields' Store, thus putting themselves in a tie for the lead with the other two teams.

In the two games played last Thursday evening Jones Service defeated Fields' Store by one point 42-41. In this game, Mike Buccelutto made a field goal from near the center of the court as the game ended to win for his team. Andy Levacich was high scorer for the Jones team with 14 digits, and Dewey Kosich was top scorer with 20 points for Fields'

In the second game Nelson's quint outclassed the American Legion 62-31. Bud Grenville and Joe Novakovich tied for high honors for the winners with 16 points each. Bob Brydon paced the losers with 15.

In the games Tuesday evening Jones Service edged out Strong Bros. in the first game in a very rough contest, 43-35. Andy Livavich scored 17 points for the winners while Tom Rose and Bill Harrison tied for high honors for Strong Bros. with 8 points each. In the second game, Nelson's defeated Field's 50-31. Joe Novakovich was high man for the winners with 17 counters while Dewey Kosich gathered 11 points for the Field's outfit.

Second half standings finds Strong Bros., Jones Service and Nelson's Sport Shop with three wins and one loss; American Legion with one win and three losses and Field's Store with four on the wrong side of the column.

There will be two games played on Old Settlers' Day: Jones vs. Field's and Nelson's vs. Strong Bros.

John Pardee Dies

After a brief illness in a San Jose hospital, John Jay Pardee, 63, died Wednesday. He had been a Campbell resident for more than 15 years and at the time of his death was employed as an inspector for the California State Health Department.

Before working for the health department, Mr. Pardee was a Methodist minister.

Final rites will be held tomorrow at 2:30 p.m. from the Darling-Fischer Garden Chapel followlowed by interment in Oak Hill Memorial Park.

Surviving him are his wife, Annie Pardee of Campbell, a son, John N. Pardee of Sacramento, and a daughter, Mrs. Margaret Smith of Campbell. There are also four grandchildren.

Mr. Pardee was a member of the John P. Jarman Lodge 669, AF & AM.

McMonigle To Die

Upheld by the State Supreme Court, the Santa Cruz County jury's verdict of death in the gas chamber for Thomas H. McMonigle will be carried out at San Quentin although the actual date has not been set.

Payment for the ghastly crime which shocked Campbell will at last be paid some 16 months after McMonigle enticed Thora Chamberlain, 15-year-old Campbell high school student, into his car on the pretext of caring for his children. The girl was never seen again after driving away from the school grounds with her abductor.

McMonigle was tracked down by the FBI and confessed to shooting the girl and throwing her body off the 350-foot Devils Slide near the Santa Cruz-San Mateo County line. Bits of her clothing found at the scene bore out this story although McMonigle later denied it and changed the entire story numerous times.

Officers investigating his accounts of the kidnapping found no trace of the girl at any of the other designated spots as described by McMonigle, although a county wide search for the body was carried on for some time.

Several of Thora's books were found in a Burlingame lot next to her abductor's place of employment.

RECUPERATING FROM OPERATION

Friends of William Fry will be glad to know that he is reported as slightly improved in his recuperation from a recent serious operation.

Chamber of Commerce Meets

At the monthly meeting of the Campbell Chamber of Commerce at Wheeler's Orchard City Creamery ,a good turnout discussed last minute plans for the coming Old Settlers' Day, sponsored by the Chamber.

Added to the program was a contest for builders of gas model U Control Planes, constructed by a High School club, the Campbell Wing Tippers. The contest will be held the morning of Old Settlers' Day on the High School football field. Cel Gerverais of the Campbell Hardware Co. has donated a prize for the winner and the Chamber moved to sponsor the group.

Upon a motion made by Link Howatt, the Chamber voted to move the luncheon meeting hour to 1 p.m. instead of 12 at the next meeting, which will be the third Wednesday in March.

Following the session, the board of directors met to elect a new vice-president. Alfred Conley was unanimously selected for the office.

Mrs. Cousins and Mrs. Farnham Head R. C. Drive

Mrs. Harry F. Cousins, chairman, and Mrs. E. L. Farnham, co-chairman, will head the 1947 Red Cross Fund Drive in Campbell, Mrs. Archie Keesling, branch chairman, announced today. The local goal will be $2500.

The drive opens officially on March 1 and will conclude as soon as the goal is reached, Mrs. Cousins said. Plans for the volunteer solicitation of everyone are now being made.

Campbell is a branch of the San Jose Chapter and through the chapter all Red Cross services are available to residents of this area. Mrs. Farnham is the local Home Service worker and works in cooperation with the chapter's workers in providing help for veterans, servicemen and their friends.

The new Mental Hygiene clinic for the treatment of veterans with emotional problems, the only such clinic in this area, is one of the services available to Campbell residents and is supported by contributions to the drive, Mrs. Cousins pointed out.

The civilian blood donor program collecting blood for distribution to anyone in need in this area is another San Jose Chapter service in which Campbell residents participate. First aid training such as is being given to school bus drivers is another Red Cross program, Mrs. Cousins said.

Approximately 40 percent of the money collected will be spent directly on services for men in the armed forces, veterans and their families. The remaining sum supports community health and welfare services and the national and international programs for the relief of disaster and war victims.

INJURED IN ACIDENT

Mr. and Mrs. C. H. Merrill of 219 Rosemary Lane were cut and bruised when the car in which they were riding collided with another vehicle at Seventh and Williams streets in San Jose yesterday.

At the time of the accident the Merrills were riding in a funeral cortege.

Two Basketball Games Saturday

The two games to be played on Old Settlers Day will see four teams from the Campbell Basketball League. In the first game, Jones Service will play Fields' Store and in the second game Nelson's Sport Shop will play Strong Bros.

These four teams are composed mostly of former Campbell High School athletes. The American Legion team of the Campbell Basketball League will not see action.

The line-ups for the four teams will be as follows: Andy Livacich, Don Warning, F; Ivan Lobrovich, C: Mike Buccelletto, G: Charlie Prestigiacamo, G: Ed Marshall, G:

Fields' Store: Wes Kosich and Dewey Kosich, F; Eugene Macchi, C; John Sciortino, Nick Barbaccia, Sal Lupari, Steven Ban and Byron Tonascia, guards.

Nelson's Sport Shop: John Nelson, F: Bud Grennville, F: Russell Bagliare, F: Joe Novakovich, C: George Del Grande, C: Ed Gutto, G: Al Newman, G: Howard Newman, G:

Strong Bros: Bill Harrison, F: Bill Smith, F: Bob Amaro, F: Merrill Grim, F: Tom Rose, C: Lawrence Cowper, C: Charlie Howe, G: Doug Strong, G: Ken Gray, G: Bob Magnuson, G: Ray Strong, G:

These basketball games will start at 2:30 p.m. The high school pep band will provide musical entertainment during the game. There will also be a drill team performing between the two games.

Campbell All Set To Honor Old Settlers In State's Second Oldest Celebration

CAMPBELL STUDENTS ON AIR

Inaugurating a radio program of sports in which representatives from the local high school will take part were Glenna Applegarth and George Gleed, who on Saturday morning talked over Station KLOK on the program, "Sports Review." The program lasts from 10 to 10:30 a.m. and other students from Campbell Union High school will participate on the following Saturdays.

Weatherman Promises Sunny Day For Parade; Prof. Chapin to Speak

With even the weather man promising to cooperate, the stage is all set for a gala Old Settlers' Day offering entertainment from 10 o'clock in the morning until 12 at night. T. A. Cutting, general chairman, has secured Prof. Leland T. Chapin of Stanford University to speak at the morning program at the High School.

Professor Chapin, who teaches drama and speech, is a world traveler and an authoritative lecturer. He lived in China for three years and in Scotland for two. His topic for Saturday morning will be: "The Value of the Old Settler in the Modern Era."

Prof. Leland T. Chapin

T. A. CUTTING, General Chairman of the Day

Morning Program—Herbert Shadle, Chairman

10 A.M.—Registration of old settlers. Guy Farley in charge, Campbell Union High School.
Reception committee—William Coupland, Mark Purmort, Sutter, Mrs. Carrie M. Curry and Henry S. Young.
Miss Mary Fablinger, Mrs. Jessie Campbell, Mrs. Charlotte

10:15—Flag salute, C. P. Klassen. Invocation, Rev. Father John Clogher. America, led by C. P . Klassen. Address of Welcome, T. C. Cutting. High school string trio. Solos, Miss Ruth Cousins, Rev. Lawrence Osborne; coronet solo, Rev. Robert Carlson, Mrs. Irma Sanders, accompanist. Speaker, Prof. L. T. Chapin. Benediction, Rev. Herbert Johnson.

9 to 12 A.M.—Open contest, all classes Gas Model U Control Planes. By The Campbell Wing Tippers (Prizes). Sponsored by The Campbell Chamber of Commerce.

12:00—Lunch. High school cafeteria.

1:00—Parade, Wm. C. Henley, chairman.

2:30—High School Orchestra, in High School auditorium. Awarding of prizes. Band in gymnasium. Moving pictures, Old Settlers. Reminiscences, Old Settlers—Mrs. Charlotte Sutter, William Coupland, Frances W. Reid. Atomic Bomb Pictures by the Naval Reserve. Building The Flag, presented by Ne Tops Council, Degree of Pocahontas. Basketball games: Jones Service vs. Fields' Store; Nelson Sport Shop vs. Strong Bros.

8:00 P.M.—High School Trio, auditorium.
Three-act play, by Footlighters—"Springtime for Johnny."

9:00—Dance. Sponsored by American Legion. High school auditorium.

Parade Chairman Lines Up Entries

William Henely, chairman of the Old Settlers' Day parade, has been busy making plans to start the parade off on the scheduled time of 1:00 p.m. He asks that all those participating be at their scheduled places by 12:30 p.m.

Assembling on Railroad Ave., facing Campbell Avenue, will be: Marshall Leo Frank, Deputy Marshall Ira Grim; colors, American Legion; Memory Post and drum and bugle corps, American Legion; Sons of Legion; Old Settlers; Montezuma school; Chamber of Commerce; Campbell Taxpayers Association; Fire Department (1 truck); Campbell Rod and Gun club; San Tomas Improvement club; Eagle Drum and Bugle corps; any other civic organization; Fire Department (1 truck).

The following groups will meet on Foote street under the direction of George Jeffers. Facing Campbell avenue and in the following order will be: Campbell Grammar school, Senior Horizon club, Future Farmers of America, Campfire Girls, Girl Scouts, High School band, Drill team (Job's Daughters, Iris Walters), R. A. S. Horizon club, and any other youth organization not included in this list; Cub Scouts, Boy Scouts.

On Dillon Avenue facing Campbell avenue, all commercial floats and trucks will line up under the direction of Al Carter.

All horses and ponies will gather in the park or "jungle" at Railroad and Campbell avenues under the direction of Howard Smith. Tying places and hay will be provided on the Grammar school grounds following the parade.

The line of march will begin on Campbell Avenue at the Railroad crossing and travel westward on Campbell avenue past the reviewing stand in front of the grammar school, past the high school to Milton Avenue where the parade will break up and the participants may go either north, south or west.

Campbell Girl Attacked

According to deputies from the sheriff's office, the 16 year old Campbell girl whose parents reported her criminally attacked, entered the assaultant's car of her own free will at the corner of Central Ave. and Campbell Ave. when the mysterious man, identified only as "Ray" offered her a ride to her rural home.

Because of the fear of adverse publicity, the girl's parents waited several days before reporting the matter to county authorities. Only the girl's description of the car and the man's first name are offered to the sheriff's office as clues.

So far, no possible connection is seen between this man and the man who criminally attacked several women and girls in rural areas a few months ago.

The girl, whose name has been withheld, reported to Sheriff Howard F. Hornbuckle and District Attorney Leonard R. Avilla, that the man, after offering her a ride home, drove her to a lonely spot and criminally attacked her. He then drove her to near her home where she was released from the car.

BILL SMITH TO PLAY FOR LEGION DANCE

To climax the annual Old Settlers' Day festivities, Campbell Post No. 56 American Legion is sponsoring a dance in the high school gym. The dance will be informal and will begin at 9 p.m. and end at 12 midnight.

The Legion was fortunate in securing the services of Bill Smith and his 9-piece orchestra. The band has played throughout valley dance spots the past few months and a good time is assured all who attend the affair.

The German community at Aurora, Oregon, composed of immigrants from Bethel, Missouri, was established in 1856.

William Henley, chairman of the parade, reports that a large number of entries will be present to make it one of the biggest parades yet. The afternoon programs have been arranged by Laurance Hill, high school principal, and a large crowd is expected to attend.

In the evening the Footlighters will present a three-act comedy prior to the dance which will climax the day's celebration.

For the Old Settlers themselves, the highlight of the day, which is the second oldest celebration in California, will be the quiet reminiscing at the High School in the afternoon. There, the men and women who settled the community will recall such incidents as the sharing of lunches at the Ainsley Cannery way back in '95, and the 1911 flood when rowboats went down Campbell avenue.

They will conjure up from the past, memories of Willet's Store, which was the first general store. The building has long ago been torn down. They will talk about the bucket brigade organized in 1894, and the bank which started in 1896. They will remember the beginnings of the first weekly newspaper 'way back in 1890.

Since no reminiscing is good without talk of school days, there will be plenty of memories about the first school which was started in 1889. They'll talk, too, about the first postoffice, started by Benjamin Campbell in his home, now known as the Putnam home. Charles Berry was the second postmaster, operating from the depot. It was then taken over by Charles Willett and located in his store.

Of course the Old Settlers will recall Theodore Roosevelt's visit in 1903 and will remember how festive the streets looked after being decorated in his honor.

In the window of Rachel's many old photograps are on display showing some of these early incidents.

ST. LUCY'S HAS NEW PRIEST

Being warmly welcomed into the community is Rev. Father Clogher, the new priest of St. Lucy's church. Father Clogher has been making his home in Centerville before coming to Campbell. He is taking the place of Father Reali, who has taken over a parish at Oakley.

Moreland Notes

The teacher of Moreland 7th and 8th grades is sponsoring what is known as The Student of the Week Plan.

Each week the pupil who shows the best all-around scholarship and citizenship is honored.

Last week Manuel Macias, son of Mr. and Mrs. P. Macias of Box 304 Eden avenue, San Jose, won the honor.

This week, Johnnah Wallace, daughter of Mr. and Mrs. Wallace of Box 538 Lovell avenue, Campbell, was declared the winner.

The plan is carried on in connection with the social studies. It is believed good citizenship should be practiced as well as studied.

The eighth grade girls organized and conducted a very successful Valentine party at the school cafeteria. Refreshments were served and games played.

Those responsible for arranging the affair were Marie Battaglia, Phyllis Monroe, Joyce Mazzurso, Ora Marie Stephens and Dolores Atwell.

Special thanks goes to Mrs. Battaglia for providing the refreshments.

At last, after months of waiting, the C.P.A. authorities have given their consent for Moreland's new school building.

In other words, the trustees of the Moreland district may make arrangements for building a new structure if they see fit.

This is welcome news after all these years.

Troop 31 of the Moreland Girl Scout troop visited the Rosecruian Museum February 15.

Ten girls under the leadership of Mrs. C. Peterson, scout leader, enjoyed the visit.

The Moreland P.T.A. is sponsoring a St. Patrick's day dance to be held at the school cafeteria Saturday night, March 15.

Baskets containing refreshments will be auctioned to the highest bidder. Proceeds from this entertainment will go towards purchasing a record player and loud speaker for the school. Everyone is welcome.

The Panama-Pacific International Exposition in San Francisco in 1915 celebrated the opening of the Panama Canal.

ALCOHOLIC ANONYMOUS STARTS IN LOS GATOS

An Alcoholics Anonymous unit started recently in Los Gatos will include this area, according to announcement by a member who said any local person interested in joining the organization will be welcome to do so.

Started about 15 years ago by a New York broker, the society now has more than 50,000 members throughout the country. Its membership consists of former alcoholics who have become cured and wish to help others who are sincerely interested in overcoming the vice.

There are no charges, and the society's activities consist of weekly meetings, on Fridays for the local group, during which individual problems are discussed and mutual advice is given. Anyone in this vicinity who desires to stop drinking is invited to write to Alcoholics Anonymous, in care of the Campbell Press. A representative of the group will make a personal call to give further details on the organization.

TO LEAVE SOON FOR DENMARK

Hans Nielsen will said from New York March 22 aboard the Queen Elizabeth to visit his family and friends in Copenhagen, Denmark. It will have been twenty years since he has visited his birthplace and he plans on making a two months' stay. His wife and children are unable to accompany him due to illness of their son.

SEEKING THE LOST

In the Gospel of Luke, chapter 15, verses 1 through 7, we have this language concerning the action and teaching of Jesus: "Then drew near unto him all the publicans and sinners for to hear him. And the Pharisees and scribes murmurred, saying, This man receiveth sinners and eateth with them. And he spake this parable unto them, saying, What man of you, having a hundred sheep, if he lose one of them, doth not leave the ninety and nine in the wilderness, and go after that which is lost, until he find it? And when he hath found it he layeth it on his shoulders, rejoicing. And when he cometh home, he calleth together his friends and neighbors, saying unto them, Rejoice with me, for I have found my sheep which was lost. I say unto you, that likewise joy shall be in heaven over one sinner that repenteth, more than over ninety and nine just persons which need no repentance." From this pasage we learn at least three valuable lessons that Christians should know and ever keep in mind as guides in their striving to get others at every opportunity to be Christians: 1. The value of **just one** lost soul. **Every** soul is equally valuable. 2. The value of **seeking** the lost. No effort should be neglected in seeking or gaining a soul that is lost. 3. A soul must realize that he is **lost.** By showing plainly from the New Testament Scriptures the actions that the Lord condemns and sanctions is the means of making a person realize that he is lost. Friend, **read the New Testament.**

J. M. ARNOLD, W. M.
T. A. ROBINSON, Secty.

Race Track For Fair

Ned Green, secretary-manager of the California State Fair, today began accepting applications for stalls from those who intend to train running and harness horses on the fair track.

Directors of the State Fair authorized the opening of the track and all training facilities. They have been out of operation since 1942, when the army took over the grounds.

Green said it will take several days to get the track back into condition, but that he will accept stall applications immediately and urged horsemen to apply as soon as possible.

The Fair will offer running and harness horsemen purses aggregating $75,400, a record sum for eight days of racing, during the 1947 Fair, August 28 through September 7.

Nursing Attendants Course At Berkeley

To meet the current critical shortage of nursing assistants, the Herrick Memorial hospital and the Berkeley public schools adult division are cooperating in the organization of a course for training nursing attendants which will open in the very near future, it was announced today by Alfred E. Maffly, superintendent, Herrick Memorial hospital, and A. B. Campbell, director of adult education and assistant superintendent, Berkeley public schools

The 13-month course of instruction and practical experience will be conducted by registered nurses with state department of education special teaching credentials and will be carried on in accordance with the Trained Attendants Act of California, said Maffly.

The diversified facilities of the Herrick Memorial hospital present an excellent opportunity for the training of those interested in the care of the sick, injured and disabled, said Campbell.

Maffly reports that his hospital, founded in 1904, is one of the pioneer medical institutions in the East Bay area. It is fully approved by the American College of Surgeons, registered by the American Medical association, and is a member of the American Hospital association.

This modern hospital has complete facilities for in-patients in fields of surgery, obstetrics andts medicine. The staff conducts an emergency hospital unit for the cities of Berkeley and Oakland and maintains medical and dental clinics, as well as x-ray, clinical laboratory, pharmacy, physical ther apy, deep and radium therapy services, for out-patients.

Veterans Administration is paying monthly pensions or compensations to nearly 120,000 veterans of the Spanish-American War under various Congressional acts.

About a half million veterans filed applications with Veterans Administration during the first 10 months of 1946 to convert their G. I. insurance to permanent policies.

The number of active cases in which veterans or their dependents are eligible to receive monthly benefit payments from Veterans Administration has increased during each of the past 43 months.

Contact Service of Veterans Administration is making about 2,000,000 personal contacts with veterans every month to give information, advice and assistance on Government benefits.

FARM NEWS
AGRICULTURAL EXTENSION SERVICE

FARRM NEWS
POLLINATION OF ALMONDS

Flowers of the almond tree must be pollinated and fertilized before the blossoms can set fruit. Distribution of pollen is effected by bees and other insects.

When insects visit almond flowers, the pollen adheres to their bodies and is carried from flower to flower and from tree to tree. The grower can arrange for proper pollen distribution by providing a suitable mixture of cross-fertile varieties with an adequate number of bees.

The number of hives needed in a given orchard depends on the size of the trees, the duration of bloom, the weather, the number of bees to the hive. If the flowering period is long, with abundant sunshine and little wind, one hive may serve several acres. Cold, wind and rain prevent bees from working and more bees will be required when such weather exists.

In general, one hive per acre is ample even in adverse conditions. Most almond growers do not keep bees but arrange with commercial beekeepers to have sufficient colonies in the orchard during the blooming period.

Growers wishing more details about bees and pollination will be interested in Pollination of Deciduous Fruits by Bees, a circular distributed free of charge by the Agricultural Extension Service of the University of California. It will be supplied on request to the local Extension Service office, 201 Post Office Bldg., San Jose. A recently revised bulletin entitled Almond Culture in California by Milo N. Wood is also available at the above mentioned office.

The first transcontinental rail link between San Francisco and the East was completed in 1869.

4-H SHOE DEMONSTRATION

Several 4-H club clothing groups are planning meetings to learn what to look for in a well-fitted shoe and how to choose one. The demonstrations will be held in Madrone at 3:30 p.m. Wednesday, February 19, Mrs. Raymond Dunning, leader of the clothing group, has planned this meeting which will be held at the Madrone school auditorium. Miss Mary Lee Saunders, assistant home demonstration agent, will lead these meetings.

Mrs. R. Rodrigues is planning a similar meeting for the Paradise Valley clothing group on Thursday, February 20 at the Machado school. The girls will make a foot pattern and check it with the shoes which they usually wear to school, to see if they are the correct width, length and shape for their feet. To maintain feet which are strong, attractive and healthy, a shoe should be three-fourths of an inch longer than the foot. In a survey of school children, it was found that 86 per cent were wearing shoes which were outgrown. To avoid trouble and unhappiness caused by distorted foot structure suitable shoes must be selected.

Other demonstrations for selecting shoes will be held in Los Altos at the home of the 4-H clothing leader, Mrs. George McKeeman, on Monday, Feb. 24, at 3:30 p.m.; at the Jefferson school on Wednesday, Feb. 26 at 3:30 p.m. with the help of Mrs. Ralph Barber; and at the Lexington school on Thursday, Feb. 27, at 3:30 p.m. for the Mountain Clothing group with the aid of Mrs. William Strauber.

TWO ADDITIONAL 4-H CLUBS ORGANIZED

The eleventh and twelfth 4-H clubs of Santa Clara county have been organized under the direction of George Shambrook, assistant farm advisor annd Mary Loo Saunders, assistant home demonstration agent of the A.E.S. These two clubs are the Jefferson number 12) and the Mountain number 11).

Twenty-three boys and girls met recently at the Lexington school to organize the 11th 4-H club. The name chosen by the boys and girls was Mountain 4-H club. Officers elected were: David Kensit, president; Jimmie Hague, vice-president; Sandy Pease, secretary; Harry Tucker, treasurer, and Billie Ashford, reporter. The extension service has procured the leadership for the club of P. C. Narveson with Peter Thomas, assistant, and Mrs. Wm. Strauber, clothing leader. The next meeting of the club will be Feb. 17 at the school.

The Jefferson club has 24 members. These boys and girls have chosen the first Friday of each month as their meeting night. Club officers are: Frank Musso, president; Pauline Dias, vice-president; Carmen Simas, secretary; Manuel Silvera, treasurer; Tony Flecklin, reporter. Leaders for the group are Frank Yrigoyen, leader; Mrs. Ralph Barber, clothing leader, assisted by Miss Agnes Flecklin.

George D. Shambrook, assistant farm advisor, and Miss Mary Loo Saunder ,assistant home demonstration agent, instructed these two newly organized clubs in agricultural and home economics projects that they may choose for their year's work.

All of the 4-H clubs of the county are working with their projects so that they will be ready for a good showing in the Junior Division of the Santa Clara County Fair in the fall.

LETTER TO THE EDITOR

Dear Editor:—Most of the people living on the route taken by the recently moved historic old West Coast Dehydrating building, are angry and indignant at the mutilation and disfiguration caused to trees and shrubs along San Tomas road and Hazel avenue.

The house was too wide for the road, so it was pulled past lovely big trees, many just in bud, peeling and breaking the limbs and in many cases the movers whipped out saws and cut off big limbs that impeded their progress.

It is to be hoped that the old house has settled down and that those particular movers will not be bringing any more into this area for they are not at all popular here.

—Mrs. H. G. Blohm.

Looking Back

10 YEARS AGO
FEB. 18, 1937

A Campbell Cooperative Drier Assoc. has been organized and has taken an option on the property between Central Ave. and the S. P. tracks.

15 YEARS AGO
FEB. 16, 1932

Mrs. Horace Lea and Josephine LaBarbera entertained the members of the Ada Rebekah Stitching club at a Valentine party.

20 YEARS AGO
FEB. 18, 1927

The beautiful home of Mr. and Mrs. Robert Jones on Sierra Ave. was the scene of a merry party Saturday evening complimenting Miss Ethel Curry who is soon to become the bride of Mr. Wallace Vaughn.

25 YEARS AGO
FEB. 17, 1922

The Campbell Grammar Board has awarded contracts on the new school building.

30 YEARS AGO
FEB. 16, 1917

Speaker for Old Settlers Day will be Dr. Francis J. Van Horn, the little giant of the Northwest.

35 YEARS AGO
FEB. 16, 1912

As is generally known, the editor of the Press has been obliged to lay down the pen and abandon the printing business, for a time at least. We are pleased to announce the name of our successor, Mr. Harry C. Smith, of Pingree, North Dakota.

ALCOHOLICS ANONYMOUS STARTS IN LOS GATOS

An Alcoholics Anonymous unit started recently in Los Gatos will include this area, according to announcement by a member who said any local person interested in joining the organization will be welcome to do so.

Started about 15 years ago by a New York broker, the society now has more than 50,000 members throughout the country. Its membership consists of former alcoholics who have become cured and wish to help others who are sincerely interested in overcoming the vice.

There are no charges, and the society's activity consists of weekly meetings, on Fridays for the local group, during which individual problems are discussed and mutual advice is given. Anyone in this vicinity who desires to stop drinking is invited to write to Al-Alcoholics Anonymous, in care of the Campbell Press. A representative of the group will make a personal call to give further details on the organization.

Campbell Court Notes

By Judge Blaine

The first Justice of the Peace of Campbell Township was Benjamine Campbell, founder of Campbell itself. The court was established to deal with juvenile delinquency.

No juvenile court existed in California in those days, and juveniles were seldom arrested for any cause whatever. It was assumed as a matter of course that many boys would be more or less unruly and problematical, rebellious at home and prankish elsewhere.

At the Hamilton School, which the present Campbell judge attended in 1887 and for two years thereafter, there were fights on the school grounds almost every day. The two women teachers paid little attention. Indeed, they were seldom on the boys' side. Their favorite name for boys was "poison."

Two of Judge Campbell's problem boys, the ones most often drawing the attention of his court, grew up to become law enforcement officers. One became a Santa Clary County Jailor. The other recently retired after serving most of his adult life on the San Jose city police force.

Among the problem boys at Hamilton School were four brothers who were sons of a celebrated horse breaker. The father was a good-humored man with a violent temper — paridoxical as it may seem. He was a man of tremendously strong glands, with a mind not subdued by the drill of school education. His sons fought other boys on the school grounds and at home fought each other.

Three of these boys grew up to be celebrated bicycle racers, and the most violent of them became for a time the fastest rider in these parts. He was friendly, attractive, handsome, popular—but how he could explode! Today he might be called "atomic."

At Halloween of those early times the boys and young men of Campbell area tore things apart. Little effort was made to stop them, and such effort as was made was generally futile. Next morning the community was a wreck. But fathers, among themselves, shook their heads. They said, "We did a better job of wrecking things in our day!"

FOOTLIGHTERS ENTERTAIN KIWANIS CLUB

Members of the cast of the play "Springtime for Johnny," to be presented Saturday evening by the Footlighters in connection with Old Settlers' Day, entertained Kiwanis club members with skits from the production at the weekly luncheon on Tuesday. Taking part were Mrs. Lee Murdock, John Stoner, Mrs. John Stoner, Mrs. Ida Levenberg, Mrs. Ellen Lanphear, Mrs. Thais Ackerman and Lloyd Nelson. They were directed by Dean Chamberlain, club director.

Ethan Lanphear served as chairman for the day and guests included Ed Merrill, Campbell; Barbara Lee, weekly guest from the high school; Benny Moritz of Los Gatos; C. Elmer Pyne, Morton Bookwalter and Joseph McKinnon, all of San Jose.

New Camp Fire Group Formed

One of the newest Camp Fire Girls groups is the O-Da-Kon-Ya, comprised of fifth grade girls and under the leadership of Mrs. Elizabeth Ribble. Miss Mildred Weeks is assistant leader. At present the maximum number of girls, 20, makes up this group.

Additional girls of this age group are desirous of joining, but with a set number of 20 to any one unit, a new group must be formed under a new guardian if these girls are to be accommodated. Any woman with some time to devote to this work may contact Mrs. Ribble by phoning Campbell 3993.

Last Saturday the group joined with other county units at a carnival held in the YMCA at San Jose. The Campbell group made candy, which was sold and the money derived added to their working fund.

The group is now working for its achievement rating of Trail Seeker, and will go before the county officials shortly to take individual tests. For this rank they have given their mothers a tea, presented a play at the county-wide brunch, made Halloween favors for the County Hospital children, made scrapbooks, and earned many honors as a group. They will participate in the Old Settlers' Day parade on Saturday.

Officers and members of the group are: Nadine Babb, president; Nancy Titus, secretary; Donna Burnett, vice president; Eleanor Addison, treasurer; Joan Oeser and Virginia Kinsella, Sunshines; Elizabeth Ribble, scribe; Mary Little, Carol Weeks, Marilyn Hereford, Alice Smith, Sophia Magdalino, Ann Chambers, Barbara Perry, Edna Wingartner, Ethel Seebock, Judy Zimmerman, Judy Heineman, Merlyn Shaves, and Jacqueline Silberbauer.

SAN TOMAS CLUB MEETS

At Friday evening's meeting of the San Tomas Improvement club Mrs. Don Lukehart reported that a profit of $54 was made on the recent box social.

Plans for entering a float in the Old Settlers' Day parade highlighted the business session. Mrs. L. A. Orford and Mrs. Byron J. Favorite then conducted St. Valentine games and served refreshments.

The Oregon Caves National Monument, in Oregon, was established by President Taft's proclamation in 1909.

Behind The Scenes

When members of the large audience expected assemble Saturday night in the High school auditorium to witness the performance of the Footlighters in a three act comedy, "Springtime for Johnny," they will be interested in knowing who constructed the "wonder" reducing machine used in the play. It seems that the contraption is the result of nightmares dreamed by LBen Howard, Ethan Lanphear and Les Ackerman.

Sporting goods from Lloyd Nelson's Sport Shop will give a realistic air to the scenes, which are laid in the sporting goods department of a large department store. Since Lloyd Nelson plays the lead, the whole sporting goods angle has an air of authenticity.

Ethan Lanphear is responsible for the painting of the sets and signs used and the flowers are being contributed by Mrs. Cecile Schad, Mrs. Mabel Keesling and Mrs. Alma Fanning. The club director, Dean Chamberlain, has worked tirelessly on the production which is reported to be one of the Footlighters' most successful ventures.

REPORT OF ORCHARD CITY GRANGE ACTIVITIES

Orchard City Grange met Tuesday night, Feb. 11. Worthy Lecturer Nellie Rutherford presented three representatives of the Future Farmers of America chapter, Campbell High school who told of their plans for helping on Old Settlers' Day and also of their trip to the national convention in St. Louis.

A resolution was passed during evening favoring the water conservation district plan of building a dam on the Los Gatos creek, and asking the re-location of the Santa Cruz highway for this purpose.

The next regular meting of the Grange will be at 8 p.m. Feb. 25. Pomona Grange meets in Campbell at the IOOF hall Saturday, March 1 at 6:30 p.m, with pot-luck supper.

Wins Ribbons

Mr. and Mrs. Bert Simmons, Winchester Road, entered three of their rare French Briards in the Golden Gate Annual Dog Show at San Francisco and won seven ribbons. Since this is the second largest dog show in the world, it was quite a coup for the Simmons who have only recently started breeding this unusual breed of dogs.

WRITERS TO INSPECT INDUSTRIAL DEVELOPMENT

Santa Clara county's rapidly expanding industrial development will bring to the area a group of industrial and financial writers for newspapers and magazines, for a first-hand inspection.

The writers are making a trip through California under guidance of the National Association of Manufacturers and the California State Chamber of Commerce. The party will spend its first touring day—Thursday, Feb. 21—in Santa Clara county. The San Jose Chamber of Commerce and the Sunnyvale chamber have cooperated in the local visit.

Food Machinery Corporations' San Jose plant will be reached by the party at 10 a.m. A press conference and tour of the plant will be followed by a luncheon given by the San Jose C. of C. at which local industrialists will speak briefly and answer the press men's questions. A tour of the San Jose industrial area and a press conference and tour of the Joshua Hendy Iron Works completes the day's program.

Santa Clara county newspapermen will join in the trip. Included in the list of visiting writers are: Laurence Davies, New York Times; Sidney Allen, financial editor San Francisco Chronicle; Robert C. Elliott, industrial editor, San Francisco News; Ted Palmer, manager, Pacific Coast News Bureau, McGraw-Hill Publications; Robert Reinhardt, west coast editor, Iron Age; A. C. Prendergast, editor, Western Industry; Merritt L. Kastens ,associate editor, Chemical & Engineering News; Frank Rogers, Los Angeles News; Grant Holcomb, Jr., director of public information, Station KQW; Don Mozley, director, news bureau, Columbia Broadcasting Co.; Herb Klein, industrial editor, Southern California Associated Newspapers; Robert Brunn, correspondent for Chritian Science Monitor; Ralph Heppe, business editor, Associated Press; the San Francisco Call-Bulletin and Wall Street Journal also will be represented.

OLD SETTLERS' DAY, '47

In the little town of old Campbell,
In the tang of the sweet salt air,
They met to renew old memories
Of a world that was young and fair.

Their heads are crowned with silver,
Boys and girls of a by-gone day.
The wheels of time turn backward,
Again they are young and gay.

Hand clasps hand in communion,
Happy thots of the long gone years;
Heart beats to heart on gladness,
That is close akin to tears.

All worldly veneer is forgotten,
The Judge is just "Jim" to the boys,
The lad who played and worked with them,
Sharing their sorrows and joys.

Gone is the stately matron,
Midst these friends of long ago.
Once again she is just "Little Mary",
With Tom her devoted beau.

They linger on till the twilight,
Reluctant from old friends to part.
Yet each goes forth to life's battles,
With a happier, lighter heart.

CLARA BEEBE BALDWIN.

Club Hears Officer

Members of Country Womans club enjoyed an interesting talk by Mrs. Addie B. Bishop, at the regular meeting February 17. Mrs. Bishop was personnel officer in charge of 8000 women at Mare Island during the war.

A State college trio comprised of Beverly Suess, Harriet Kennedy, Sharlene Atkinson, with Betty Campbell at the piano, entertained with vocal selections.

Tea was served at the conclusion of the program.

The club unanimously elected to membership Mesdames Rex Saunders, Lynn Thompson, Hazel Wilson and Ethelda Minehart.

Committee of arrangements was Mesdames Vernon Suess, D. W. Clark, Nelson Cowdery, W. C. Elkey, Lavinia Grattan, D. W. Ribble, A. D. Rice and Ricardo Villafuerte.

* * *

RECENT PARTIES

Mr. and Mrs. H. J. Harder were hosts for two large gatherings recently at their home on the San Jose-Los Gatos Road. The first was a dinner party with 25 guests in honor of Mr. and Mrs. Leslie White, newcomers to Campbell, while the second party, a buffet supper, was given for a group of San Jose State college students.

Social and Club Notes.. around Campbell

Wedding Plans Revealed

A June wedding is planned by Miss Rosellen Cornett and Robert R. Gates whose romantic news was revealed at a Valentine dessert luncheon at the home of the bride-elect's parents, Mr. and Mrs. Herman Cornett of San Jose.

Both of the young people are veterans of the Navy, Miss Cornett having served 18 months with the Waves in Washington, D.C. She is a graduate of San Jose State College and is at present on the faculty of the Los Altos elementary school.

The future bridegroom is the son of the late Mr. and Mrs. L. Lawrence Gates of Campbell. He graduated from San Jose State College after attending Campbell Union High school. During the war he served two years in the Navy and is now doing post graduate work in chemistry at Stanford university.

Attending the announcement party were Mesdames Sidney Bork, Richard Nolte, Joseph Rush, Donald Scott, Earl Wright, Boyd Cornett, Herman Cornett and the Misses Rosemary Burnette, Martha June Cole, Bette Jo Cornett, Joyce Cornett, Nini D'Anna, Barbara Fulton, Cynthia Hancock, Barbara Hanner, Leah Ann Hardcastle and Barbara Standring.

ENTERTAINS OVER WEEK-END

Miss Ruth Cousins had as her house guest over the week-end Miss Mary Frances Groves of Glendale, who is now a student at San Jose State College. On Tuesday evening Miss Cousins was one of the featured soloists at the Music Department concert at the San Jose State College Little Theater.

St. Patrick's Dinner Scheduled

Friday evening, March 14, is the date set for th e St. Patrick's dinner to be given by the ladies of the Women's Society of Christian Service of the Methodist church. The dinner will be followed by a musical program. Reservations should be made early with the circle chairmen, Mrs. Jos. Gleed, Mrs. Fred Fellman, Mrs. Joe Dahl or Mrs. Everett Nilson.

Mrs. Guy Farley, president of the W.S.C.S., presided at a well attended meeting of the group last Thursday. The Rev. Osborne explained the position of the Campbell Methodist church in reference to the other Methodist churches in the Northern Conference. Mrs. Florence Friday led in devotions and Mrs. Archie Keesling gave a very interesting discussion on racial tolerance.

* * *

SON ARRIVES

Mr. annd Mrs. H. J. Daves are the parets of a baby boy who was born Feb. 12. The young man has been named Edward James and his grandparents are Mr. and Mrs. Fred Fellman and Ward Daves.

SIGMAS TO MEET

Sigma Club of the Congregational church will meet Tuesday, Feb. 25, at the home of Elsa Fetsch on Rincon Ave. Miss Muriel Carson will serve as co-hostess.

* * *

EVENING GUILD PLANS CARD PARTY

St. Lucy's Evening Guild has arranged a card party for tomorrow evening at the Parish Hall, Third and Rincon Ave., at 8 p.m. There will be prizes and refreshments and everyone is invited to attend.

Son Born to Lockes

Receiving congratulations on the birth of a son are Mr. and Mrs. Lauren Locke, Central Ave. The baby, weighing eight pounds and five ounces, was born in Mantica early Tuesday morning. Mrs. Locke is the former Georgia Ann Fairbanks, daughter of Mr. and Mrs. Roy Fairbanks of Mantica.

It is the first grandchild for the baby's paternal grandparents, Mr. and Mrs. J. R. Locke, Campbell. Also welcoming the baby are two great grandmothers, Mrs. A. C. Keesling, also of Campbell, and Mrs. R. Thompson of Modesto.

* * *

ATTENDS SON'S WEDDING

It was a succession of "firsts" for Mrs. B. Rogers when she flew to Seattle last week to attend her son's wedding. First of all, it was the first time that she has left the state; secondly, it was the first time she had traveled by air; and thirdly, she met her first daughter-in-law for the first time. The bride is the former Miss Ethel Glessmer of Seattle and the bridegroom is Frank Rgers, Chief Signalman, SN, now stationed at Bremerton. The couple were married on Valentine Day in an elaborate church ceremony.

LEGION AUXILIARY CELEBRATES LINCOLN'S BIRTHDAY

One hundred and forty-six attended the Campbell Unit 596 American Legion auxiliary pot-luck dinner last week which was followed by dancing and cards. Commander Al Carter introduced numerous out-of-town guests and also many local visitors.

On March 6 the unit will breakfast at Lou's Village to enjoy the daily radio broadcast.

Plans are being made for the visit of the department president, Mrs. Sid Brannamon, to the 13th District which will take place March 10. A party at the Hawaiian Gardens is scheduled.

GRAMMAR SCHOOL PTA FOUNDERS' DAY PROGRAM

The Campbell Grammar School PTA held its Founders" Day program in the school auditorium Feb. 4. under the direction of Mrs. Thais Ackerman. Opening the program were selections played by the school orchestra. Mrs. Mary Parker, accompanied by Mrs. Irma Sanders, sang two solos, after which Mrs. Ackerman presented a tableau in honor of the founders of parent teachers. Those participating were Mrs. Herbert Binley, Mrs. Evert Nelson and three children.

Mrs. J. W. Knowles, president, conducted the business meeting, at which the nominating committee including Mrs. Mable Davidson, Mrs. Anita Perata, Mrs. Felix Bersano, Mrs. Joyce Longfellow and William Henley, was appointed.

A motion was carried to contribute $60 for school benches which are to be made by the father members. Mrs. Ida Fenton and Mrs. Barrato were appointed on a committee to assist in selecting these for the school grounds. At the close of the business meeting the candle lighting ceremony was held in the cafeteria. The past presidents and life members were introduced and gave brief resumes of their activities during their period of office. Mrs. Maud Sourisseau was presented a life membership by Mrs. Eva Grattan, life membership chairman.

Refreshments were served by the Oco-wa-sin Girl Scout troup, led by Mrs. W. Henly.

Vets' News

Many veterans do not understand that the life insurance now being offered by the Veterans Administration is the same insurance available to them during the war, at the same rates, broadened to fit the peacetime needs of former servicemen.

NSLI was offered by the U. S Government to members of the armed forces because of the unusual hazard of war—and because it was realized that the loss of the soldier or sailor would mean the loss of a present or future breadwinner in his home. Some sort of income had to be set up to replace his earnings if he failed to return.

Because of the low pay of a soldier at the time the insurance act was passed in 1940 ($30 per month to a private) it was necessary to furnish the insurance at low cost. Consequently, it was decided to offer temporary insurance (term insurance) because the cost ran to around 65 cents per month per $1000. In that type of insurance all the premiums paid in go to pay for the claims of those who die in any given year.

While term insurance is the cheapest, it has the disadvantage of never building up any cash or loan value. It offers only protection. Several other plans, however, are available to veterans who wish to convert to permanent forms—20 and 30-pay life, ordinary life, 20-year endowment, and endowments at age 60 and 65. Complete information may be obtained at your nearest V.A. office or by writing to the Director of Insurance, Veterans Administration, 180 New Montgomery street, San Francisco 5, Calif.

QUESTION: I took out a $10,000 NSLI policy in July of 1943; I was told at that time my wife, then 25, could only be paid at the rate of $55.10 per month for 20 years in case of my death. Is it possible now to arrange to have $1000 of my insurance paid out in cash? Also can I arrange for her to receive a larger income than $55.10 a month?

ANSWER: Yes, to both questions. Your wife may be paid $1000 in cash, and the other $9000 at the rate of approximately $160 per month over a period of about five years.

QUESTION: How long do I have before I have to convert my term insurance to a permanent form?

ANSWER: You can keep your term insurance for eight years from the time it was taken out, if it was taken out before Jan. 1, 1946, or five years if taken out on or before that date.

FLYING KITES SAFELY

It's kite-flying season again and time to remind parents that children indulging in the pastime should be carefully supervised. Flying a kite is clean-cut recreation and a healthful outdoor sport, but there is a threat of serious danger if kites are improperly constructed or flown. Many children have been hurt and heavy property damage has been incurred because kites were made of metal or wire and flown too near power lines.

Accidents from kite-flying can be minimized if both parents and children follow the simple safety rules enumerated below.

1. Never fly a kite near electric or trolley wires.
2. Never climb poles to untangle a kite.
3. Never let a kite go over radio aerials.
4. Never build or buy a kite with metal or wire in the frame or tail.
5. Never use tinsel string, wire or any kind of twine that has a metallic substance. Use plain cotton or linen cord.
6. Never run across streets or highways while flying kites.
7. Never touch fallen electric wires. Report them to P.G. and E. or to your parents.
8. Never fly a kite when it is raining. A wet string is a conductor of electricity.

In an effort to safeguard kite flying by children in Northern California, the P.G.E. has published an illustrated booklet entitled "How to Make a Kite and Fly It Safely." The booklet contains construction diagrams of well-known kite designs, including the star and box kites. The booklets are available upon request, free of charge, at all P. G. and E. offices.

LIVESTOCK JUDGING CONTEST TO BE HELD

One of the features of the Grand National Junior Livestock Exposition at San Francisco's Cow Palace March 29 to April 3, will be a livestock judging contest.

The contest will start on Wednesday, April 2, at 9 a.m. and will be limited to 4-H club members and Future Farmers of America exhibiting at the Exposition who must not have received training or instruction above high school.

Each individual will be required to judge two classes each of market beef cattle, sheep and swine and a class shall consist of four designated as 1 ,2, 3 and 4. Oral reasons will be required on three classes.

The top three boys from the same 4-H club or F.F.A. chapter will be designated as a team for trophy awards. Ribbon awards will be given to the first ten high in each clas, hogs, sheep and cattle.

Stamp Exhibit at At Hotel DeAnza

There will be a free all-day stamp exhibit at Hotel DeAnza this Sunday, given jointly by the San Jose and Hollister Stamp clubs. This is an annual event and draws stamp collectors from all the northern California area.

The exhibit will comprise nearly 100 frames of rare and unusual postage stamps from every corner of the earth. Many valuable specimens will be shown. Hours will be from 10 a.m. to 8 p.m. and the general public is invited. In addition to the displays, there will be booths at which dealers will offer stamps for sale, and at 3 p.m. there will be an auction sale of many stamps, for which any person may bid.

Prior to the auction sale there will be a meeting of the Northern California Philatelic Societies, composed of delegates from several dozen local clubs throughout the northern half of the state.

The exhibit will be in the large ballroom just off the mezzanine floor. There is no charge for admission.

Why we are asking for increased telephone rates

The responsibility of furnishing telephone service in California carries with it the obligation to see to it that the service shall be adequate and dependable. Now, in order to fulfill our obligation properly, we have found it necessary to apply for increased rates. We would like to tell you why they are needed.

Our pre-war costs have more than doubled.

Good service for the public comes from good employees and good equipment. The cost of both has risen greatly in recent years. Total wage expense, which represents two-thirds of our operating expenses has more than tripled since 1940, due to more employees and higher wages.

Our business in California has grown and revenues have increased 105% in this period, but costs have climbed even faster—135%. Costs of buildings, equipment and supplies of all kinds have gone up tremendously. As a result, present rates are inadequate.

Present local rates were set many years ago.

Charges now being made for local telephone service in California are based on rates that were established many years ago . . . in most cases as far back as 1919. Until 1940, through continuing efficiency in our operations and rapid technological advances, we were able to give our customers steadily-improving telephone service, progressively increase the pay of our employees and pay dividends to the thousands who had invested in our business. We were even able to reduce many rates, particularly on toll calls.

We are not seeking large profits.

In asking our customers to pay more for service we are not seeking large profits. Our policy with respect to earnings and service will continue to be: "To furnish an ever-improving telephone service at a cost as low as is consistent with financial safety."

Current earnings are the lowest in many years.

Current earnings on our plant investment in this state have dropped to the lowest level for at least 30 years—much lower than even in the worst years of the depression. And right now . . .

There is a big job ahead.

To meet unprecedented demands for service and to keep pace with California's amazing growth we are engaged in the largest expansion and improvement program in our history . . . a program which will cost $150,000,000 in this state during 1947 alone . . . a program that will mean steady employment for thousands of California's citizens and . . .

Adequate earnings are essential.

We have waited as long as we could to ask for higher rates, but more money is essential now. Millions of dollars of the savings of thrifty Americans must be invested to finance the necessary increases in plants and equipment. Thrifty Americans, being good business men and women, will invest these millions if, and only if, there is reasonable assurance of a fair return. The increase in total revenue we ask is only what is required to maintain a sound credit position, and we feel is moderate and in the public interest. We would fail in our responsibility if we allowed further time to elapse before making it.

BELL SYSTEM

CAMPBELL POST 596
AMERICAN LEGION
By Robert A. Reese

The hundred dollar question is, as far as Campbell Post and Unit members are concerned, "When is the next pot-luck supper?" The officers of both Post and Unit wish to thank the committee in charge of this gala affair.

Preceeding the dinner, and the amusement of the evening there was a short business meeting, at which Commander Carter urged all members to turn out for the Old Settlers' Day parade, stating the Post would lead the parade.

Comrade William Smith, chairman of the Old Settlers Day dance committee, anounced that he had engaged a 9-piece band for this occasion. The dance will be held in the Campbell High school gym. The Post and Chamber of Commerce are co-hosts for the dance.

Commander Carter anounced that Campbell Post would entertain the members of Santa Clara County Council at the meeting on February 25.

It was reported that Past Commander Wilbur Mitchell was confine d to his home with an infected foot. Three new members introduced were Henry Sanfilipo, Bernard Hartman and Manuel Cabral.

Comrade Raker, first vice commander of Oswego Post 92, of Oregon, gave a very interesting talk on the activities of the Legion in Oregon.

The post will not be able to make its anual Scholastic Award this year as there is no contest. Comrade Henley stated that there was only one outstanding girl, and no outstanding boy.

COUNTY POPULATION TAKES JUMP

California had a population of 9,420,000 on January 1 compared to 9,220,000 in 1946 and 8,917,000 in 1945.

Population of Santa Clara county was 243,000 the first of the year, compared to 230,000 in 1946 and 219,000 in 1945.

These figures were released recently by the California Taxpayers Association from information compiled by the California State Chamber of Commerce.

NOTICE TO CONTRACTORS

The Board of Trustees of the Moreland Elementary School District, County of Santa Clara, State of California, invites and will receive sealed proposals up until 7:30 P.M., March 13, 1947, at the office of the Principal of the Moreland Elementary School, corner Payne Avenue and Santa Clara-Saratoga Road, Santa Clara County, California, at which time and place said bids will be opened and read in public, for furnishing of all materials and labor for the construction of a new elementary school building for the Moreland Elementary School District, which new school shall be located at the same address as the present school. These bids shall be presented in accordance with plans and specifications prepared therefor by Birge M. Clark and Walter Stromquist, 321 Channing Avenue, Palo Alto, California, Architects.

Cashier's or certified check, or bidder's bond for an amount not less than five per cent (5%) of the amount of the bid, but in no case to exceed three thousand dollars ($3,000) shall accompany each proposal, drawn payable to the order of Roy A. Smith, Clerk of the Board of Trustees of the Moreland Elementary School District, as a guarantee that the bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board of Trustees of said School District in accordance therewith, and will furnish the surety bonds as required by the specifications, said check or bond to be forfeited to the said School District should the bidder fail to execute contract and furnish bonds as above mentioned.

Reference is hereby made to the prevailing wage scale adopted by the Board of Trustees of the Moreland Elementary School District and which is on file at the office of the Principal of the Moreland Elementary School, and which represents the minimum wage which shall be paid for the said work, and is as follows: to-wit:

TRADE or OCCUPATION	Hourly Wage Rate	Per Diem Rate
Bricklayers (6 hour day)	$2.25	$13.50
Carpenters	1.75	14.00
Cement Finishers	1.87½	15.00
Carpet & Linoleum Workers	1.12½	9.00
Electrical Workers	2.00	16.00
Engineers	2.00	16.00
Floorlayers	1.87½	15.00
Glaziers	1.21½	8.50
Hod Carriers:		
Brick (6 hr. day)	1.75	10.50
Plaster (6 hr. day)	2.00	12.00
Iron workers:		
Architectural iron	1.60	12.80
Reinforced concrete	1.75	14.00
Laborers (General)	1.15	9.20
Lumber Handlers	1.18½	9.48
Lathers (6 hr. day)	2.00	12.00
Millmen	1.45	11.60
Millwrights	1.87½	15.00
Painters (7 hr. day)	1.75	12.25
Plasterers (6 hr. day)	2.00	12.00
Plumbers	2.00	16.00
Pipe Welders	2.00	16.00
Roofers	2.00	16.00
Shinglers	1.87½	15.00
Sheet Metal Workers	1.75	14.00
Steam Fitters	1.87½	15.00
Tile Setters	2.00	16.00
Tile Helpers	1.56¼	12.52
Teamsters (general)	1.37½	11.00
Welders (pipe)	2.00	16.00

HOLIDAYS: New Year's Day, Admission Day, Armistice Day, Thanksgiving Day, Memorial Day, Independence Day, Labor Day and Christmas Day. On Saturdays and Sundays, where a craft works a five day week, and where schedule of crafts so provide, overtime shall be paid at the rate of double time, except where otherwise provided.

Carpenters: Overtime for first four hours, and after the first eight hours, time and one-half; thereafter, double time.

The foregoing schedule of per diem wages is based upon a working day of eight (8) hours, unless otherwie specified above. The hourly wage rate prescribed hereinabove is the per diem rate divided by the numebr of hours constituting the working day. When less than the number of hours hereinabove specified as constituting the working day are worked, the rate of wages per day shall be proportionately reduced but the hour rate shall remain as hereinabove stated.

All skilled labor not listed above that may be employed is to be paid not less than the union wage scale for such labor.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any sub-contractor under him, to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

All bids are to be made out on forms furnished by the Architect.

Plans and specifications are on file in the office of the Principal of the Moreland Elementary School, and copies of said plans and specifications may be obtained from the office of Birge M. Clark and Walter Stromquist, Architects, 321 Channing Avenue, Palo Alto, California.

A deposit of $25.00 will be required from all contractors receiving plans, said deposit to be refunded when plans and specifications are returned in good condition.

The Board of Trustees reserves the right to reject any or all bids and waive any informality in any bid received.

By the order of the Board of Trustees of the Moreland Elementary School District, Santa Clara County, California.

ROY A. SMITH,
Clerk.

February 17, 1947.

COUNCIL TRAILS TO WATSONVILLE

On Saturday evening, February 15, several members of Ne Tops Council, Degree of Pocahontas, trailed to Konockti Council in Watsonville, to attend the meeting of the Peninsula and Monterey Bay association. Louise French, Pocahontas, conducted the meeting.

The initiatory degree team composed of members of various councils presented a beautiful ceremony. Members of Ne Tops in the team were Sharon Parker, Bertha Hindle and Veda Folden. Drill captain, Andrew J. Wilford, is to be commended for his work.

Sisters who trailed to Konockti were Sharon Parker, Bertha Hindle, Veda Folden, Edith Anderson, Blanche Gilpatrick; also Brother Bill Hindle and the district deputy great Pocahontas, Inez Means of Zanetta Council.

In the absence of Pocahontas, Irene Hodges, Ne Tops Council convened Friday night, February 14, in the IOOF hall with Winona, Edith Anderson, in the chair. After a short business meeting the members assembled in the dining hall where a Valentine dance was arranged by the entertainment committee, Gail Plymale, chairman, Ruth Livingston, Rita Noyer, Opal Hewitt and Blanche Gilpatrick. Music was supplied by Hans Nielsen.

Members of the council and their guests spent a very enjoyable evening dancing and getting better acquainted. Refreshments were served by Tina Caccamo, Florine Cirigliano, Esther Powell, Ruth Franzen, Sharon Parker, Bertha Hindle and Margaret Benton.

10¢ worth of electricity will run a large household refrigerator for a period of 1 week.

***The Cost of Gas and Electricity has gone* DOWN *and* DOWN**
Natural Gas Rate Cuts in 1939, 1940, 1943 and 1946 slashed the average cost of Gas in the home...33 per cent. Electric Rates have been cut SEVEN TIMES since 1939... a series of reductions that place P. G. and E. electric rates 20 per cent below the national average.
11XW-247

YOUR GAS AND ELECTRIC BILL IS THE TOTAL OF MANY SMALL SERVICE ITEMS
Your "small change" does not buy very much today, especially your nickels and dimes. There is one outstanding exception, however. You get BIG VALUE for 5c and 10c spent for Gas and Electric service. You are now buying gas and electric service at way below pre-war prices. Best of all—you buy them, use them, "charge them!" It is just like having a handy charge account at the 5 and 10 cent store. For example ... 5c runs your electric clock for 6 months ... 10c cooks three meals a day on a Gas Range for 2½ days.

PTA Observes Founders Day

The Golden Anniversary of the Parent-Teacher Association was commemorated by the Campbell Union High School unit with a program Feb. 12. A radio playlet, "With Faith and Hope" was enacted by unit members under the direction of Mrs. J. Madeira. Dialogue in the skit included actual words spoken by Mrs. Theodore Birney when she addressed the first Congress of Mothers at the Arlington hotel in Washington, D. C., in 1897.

Student entertainment was provided with rendition of vocal solos by Gloria Surian, accompanied by Lauren Silva on the piano.

Mrs. Raymond Flagg gave a District PTA meeting in Sunnyvale. Representing the unit at this meeting were Mesdames Raymond Flagg, Anthony Jurras, Clarence Fagalde, J. W. Knowles, R. L. Allinger, Alfred Weitz, David Sanders, Mary Dennis and James Gleed.

Appointed to the nominating committee were Mrs Henry Jensen, Ray Wod and Mrs R. L. Allinger. The committee will report at the March meeting.

The anual PTA state convention, to be held in Long Beach April 30 to May 2, was briefly discussed. Mrs. R. Flagg emphasized that reservations must be in by Apr. 5.

Study group chairman Mrs. Henry Jensen, spoke on the next study group meeting, March 7, when dress alteration will be demonstrated.

Assurance of the unit's aid was given by Mrs. Ray Wood, Red Cross chairman, when Mrs. Harry Cousins asked for workers in the north and west sections of Campbell in the forthcoming R.C. drive.

Members were urged to attend the California Youth Conference, to be held in Campbell high March 8. The conference will open at 9:30 a.m. Luncheon will be served in the high schol cafteria.

Mrs. Clarence Fagalde discussed the course on "Responsible Parenthood" to be given under Dr. Bertha Mason, M.D. The course will start March 6 at 7:30 p.m. in the Woodrow Wilson school. Everyone is invited to attend these study groups which are made available through the sponsorship by the 6th district PTA with other community groups.

Following the business session the members adjourned to the new high school cafeteria for refreshments during which time the candlelighting ceremony was held. Past unit presidents and life membership recipients were honored at this time. The highlight of the program was presentation of a life membership pin to Charles De Selle, chief custodian, who has been with Campbell Union high for 35 years. Emblem chairman, Mrs. Anthony Jurras, made the presentation.

VISITS HERE BEFORE GOING TO ENGLAND

Mrs. Rose Hanger is expecting a visit from her friend, Miss E. McLernon of San Francisco, who will spend a few days here before leaving aboard the Queen Elizabeth for a summer in England.

No Sugar Stamp

There will be no special sugar stamps issued for canning this year.

This reminder to housewives has been issued by OPA sugar rationing officials following changes in regulations announced recently in Washington, D.C.

The change from 5 to 10 pound stamps does not mean that consumers will have twice as much sugar, OPA continued. The housewife must spread 10 pounds to cover longer periods and must set aside sugar for home canning because no special home canning stamp will be issued.

The first 10 pound stamp becomes valid on April 1. The current 5 pound stamp, number 53, expires March 31 instead of April 30 as originally intended.

The sugar supply picture cannot be forfeited until later in the year, OPA said, but it is hoped to bring in a new 10-pound stamp every three months. This will give a total of 35 pounds per person for the year, 10 pounds more than was issued in 1946.

Making future stamps good for 10 pounds extends the use of the present ration books and avoids an expenditure of 2 million dollars for new books, OPA said.

PUNDITA CIRCLE MEETS

Members of the Pundita Circle met yesterday at the home of Mrs. George W. Burrow. Mrs. Charlotte Sutter, a Campbell pioneer, told the group interesting stories of early days in Campbell.

The next meeting of the group is set for March 5 at the home of Mrs. Rose Hanger.

MRS. WEEKS IN HOSPITAL

Mrs. William Weeks is a patient in a San Jose hospital where she underwent surgery Monday morning. She is recuperating satisfactorily and will be home soon.

WESTINGHOUSE LEASES HENDY'S

Santa Clara county took another step forward as an industrial center with the announcement that Westinghouse Electric Corporation has leased the Joshua Hendy Iron Works in Sunnyvale.

Westinghouse, one of the world's largest electrical equipment manufacturers, will operate the 57-acre plant on a 10-year lease with option to purchase. Industrial leaders predict that the plant will soon be one of the largest in the county.
